comments about the animal, parents, etc.)

Please submit 2 separate pages for
each nomination animal. One is the
nomination form and the other is this
photo page. Only the photo page is
sent to the judges. All information
must be contained only on this page.
If you have an animal with a large number
of wins, you may make up your own page
as long as it contains all of the photos
and information required on this form and
fits on one page.
